dinner with friends

Has a stranger ever changed your life?

If you could get to know someone on a deeper level, who would it be and why?

What's the most pain you've been in that wasn't physical?

What's been your happiest memory this past year?

What is something you wouldn't want to change about yourself?

What is your first love's
name and the reason you
fell in love with them?

What do you
crave more of?

Have you changed
your mind about
anything recently?
